

An Elevated Lifestyle

720 Camino Del Norte Palm Springs

OFFERED AT:
\$1,270,000

Time seems frozen in this rarely available mid-century estate-like residence. Nestled in lush landscaping on over one half acre of elevated sanctuary in Las Palmas Heights, this home offers extraordinary mountain views and privacy. The extensive grounds are graced with mature trees and colorful landscaping. Period details include extensive use of terrazzo flooring and walkways, stylish outdoor benches, and built-in cabinetry. Stunning wrought iron gates lead to a dramatic double door entry. The house flows beautifully with large spaces and high ceilings. A dramatic stone and terrazzo fireplace anchors the spacious family room. Oversized sliding doors on either side give way to the expansive covered patio and estate-sized pool surrounded by lovely mature landscaping and fabulous mountain views. Beyond lies an elevated citrus garden with plenty of space to add a gazebo, cabana, or casita. A huge master suite looks out to the pool and a dramatic mountain backdrop. Three additional generous-sized bedroom suites provide ample guest and office space. An additional powder room is conveniently located for guest use.

Do not miss this golden opportunity to own a masterfully designed piece of Palm Springs history and add your own creativity and expertise in restoring it to its full awesome potential.
